About the College

Nestled in the heart of one of Greensboro, North Carolina's residential communities, Bennett College is the only historically African-American college for women in the state of North Carolina, and is one of two in the country.

The College is an accredited, private four-year liberal arts college for women and is affiliated with the United Methodist Church. The institution was founded in 1873 as a co-ed normal school and in 1889 was chartered as a four-year college. In 1926, Bennett redirected its mission to become a college dedicated to educating women.

Bennett has graduated over 5,000 women since 1930 and can boast a number of "firsts". Bennett graduated the first African-American woman to head the Peace Corps; the first African-American woman to head the YWCA; the first African-American female television news director in the country; the first African-American female appointed to the position of District Attorney in North Carolina; and the first African-American female to manage a major American brewery. Bennett students are primarily of African-American descent, however, the College includes and welcomes women of all races.

Bennett College maintains its distinction as an institution of higher learning by offering an education conducive to excellence in scholarly pursuits, preparation for leadership roles and life-long learning in a contemporary society. The College offers selected education, training and research experiences appropriate for preparation in the arts and sciences, the professions, and for public service.

Dear Class of 1997 and Sister Bennett Belles:

In days to come and in years to come, this account of academic year 1996-97 in this volume of the Bennett Belle will grow in value. You will leaf through it and recall the many wonderful experiences at Bennett. Many of them will be brought to life by a face you remember, much of what happened will present itself to you in the face of challenge of the realism of life.

It chronicles the account of this rare year in which:

- * for the first time since its construction in 194, the Annie Merner Chapel and the Little Theater have been under major repair and renovation and therefore unavailable for the "community gatherings" which are so much the central core of the ethos of Bennett College for Women;
- * the historical Carnegie Library which was the only library in Greensboro for African Americans to use until the late 1960's is under repair, renovation and restoration for use in the Community Empowerment Development Program;
- * the College, through the leadership of two of her daughters, Dr. Susie Powell and Mrs. Sallie Brown and their spouses, Drs. Franklin Anderson and Robert Brown, has engaged upon the first Capital Campaign since the 1973 Centennial Campaign which will provide an infusion of \$50 million in capital to fund the Chapel renovation, build the Women's Leadership Institute and its support systems, a Humanities and Social Services building, and an Honors Wing/Student Activity Space onto the David Dallas Jones Student Union building;
- * the students for the third time out of the last four years raised the highest amount of money for the pre-alumni council and presented Bennett College with the third National Miss UNCF, Belle Kelly Cole;
- * the first swimming team, "The Diving Belles" joined the "Dunking Belles", "Spiking Belles" and "Running Belles" to further extend the Intercollegiate Athletic Program;
- * the Science Belles won five of the top ten awards of the Beta Kappa Chi Research competition;
- * and the Class of 2000 entered as Freshwomen.

Bennett College is a very special place of nurturing to produce the well-educated professionals, informed participating citizens, enlightened parents, facilitators of social justice and effective, healthy utilizers of technology.

It has been my pleasure to provide presidential leadership since 1987 and a very special privilege to provide the leadership during this year for the continued, improved production of the important women leaders for the new millennium.

Sincerely,

Gloria Randle Scott, Ph.D.

Sisterhood Tradition . . . A Nurturing Environment

Throughout my matriculation at Bennett College, I have experienced much growth. As a freshman, I was overwhelmed by the idea of 600 college campus and what was still somewhat immature and unsure of myself.

Bennett College has provided me with a college life that I feel I could not receive anywhere else. I have become a part of the rich tradition and sisterhood which I heard my mother and aunts speak so highly of...the true love for Bennett College and guided by professors and a department that truly wishes for me to reach my goals. Professors who have been constant sources of inspiration and excellence. They have insisted on excellence. They have been there for me and have done whatever was necessary to help me excel.

I have been affected by the deep sisterhood and have developed life-lasting friendships with Bennett sisters. Sisters in every sense of the word.

This is why it means so much to me to serve as Miss Bennett College. To represent an institution which has come to mean so much to me is a dream which has provided me with an education compared to none other. I have been educated not only academically but have been educated on how to survive and be productive as an African-American woman in a world which in some ways

Bennett College serves to educate African-American women and has helped mold me into the Phenomenal Bennett woman I was told I would be when I began my matriculation in 1993.

It is certainly a great honor and precious privilege to represent Bennett College. My only hope is that I continue to live up to the legacy which I am so honored, humbled by, and proud to be a part. God Bless You and May Heaven Always Smile Upon You.

With Sisterly Love,
Jasmine C. Canady

CHANGE

by Jenee' L. Hulin

It began as the chattering and chattering about the challenge.
What was later is now today.
Healing hands of friendship offered shelter from the rain of obstacles.
Their cocoons endured the storm — Sometimes wrapped in worry
Only to transform into divas of distinction
A metamorphosis

Doctors of the dawn
Poets of the people
Journalists of justice
Teachers of truth
Artists of the age
African American assets

Four transformations later and now the years of yesterday have disappeared
like fresh dew drops in the sunlight.
Their awkward clumsy steps towards the future are now soft and smooth like
the fragrant petals of spring.
A collage of vanilla, mocha, chocolate, and licorice equal a tasteful work of art.
Flying forward and steady to new horizons,
Soaring so high that some say that the sun will singe their wings,
But their transformations echo a resounding "No!"
Beautiful and blessed they bid one another goodbye.

Bennett College is built on rich traditions and it is these traditions that shape Bennett Belles into Phenomenal Bennett Women.

The big sister/little sister program is also another tradition. Freshwomen are paired with Juniors in an effort to promote sisterhood.

The Bennett College Choir

During its 70 year history, the Bennett College Choir has developed a reputation of being one of the outstanding all-female choirs in the country. The members of the choir are from various academic disciplines within the College.

The choir has performed extensively throughout the southern, eastern, and midwestern United States during its annual March tour. Bennett College is one of twelve predominately African-American United Methodist Church-related institutions of higher learning in the country. The choir performs for church conferences and is in constant demand by local churches, schools and community groups.

The choir has an extensive repertoire of sacred and secular compositions from the sixteenth to the twentieth centuries. Special features include opera excerpts and gospel music.

The Bennett College Choir is under the direction of Ms. Valerie Johnson, instructor of music at Bennett College. Dr. David Pinnix, chair of the Department of Music and college organist, is the accompanist.

Bennett Belle Yearbook Staff 1996-97

The 1996-97 Yearbook Staff has chosen "Stepping Forward", as our theme for this edition of the Bennett Belle. "Stepping Forward" best describes my matriculation through this great institution. I am able to testify to the growth that I have experienced coming in as a freshman and now as a mature raising senior. Earning the opportunity to become the editor of this yearbook which represents Bennett, is a great privilege. Leadership, that's what it's all about and being at Bennett has given me the opportunity to be all that I can be. With the support of a dedicated staff and a great advisor, the challenge of producing a first-class yearbook was not as difficult as it could have been. Few realize that opportunity often comes in the form of hard work. Bennett College has taught me that without

struggle, there is no progress. I would like to thank my entire staff for being supportive and understanding and for realizing that this yearbook represents all of us and that each one of us as a team player made the production of this book a success and a learning experience. Thank you to my Bennett sisters, faculty, staff, and administrators for your assistance in making sure that you did your part in the creation of this book. Most of all, thanks to God for giving me the patience to endure and my dear Mother for her guidance and support. Please enjoy the 1996-97 edition of the Bennett Belle. I'll see you next year.

*Yours in Sisterhood,
 Tammy Dines

Sharnell Montgomery

I cheered on the day you took your first steps. I stayed awake on prom night. I shed a tear and said a prayer the day you departed for college.

Today I pause and thank the Lord. I celebrate with pride and joy. You made it. I knew you could.

I want you to know that I am very proud of you. I hope the experience and knowledge you have gained over the past four years will serve as a stepping stone to help you climb the ladder of success and will inspire you to reach out to others so that they too may be motivated to obtain a college degree.

I pray you will continue to build upon the strong foundation built for you by family and friends.

Always remember that nothing is impossible when you put your faith in God. So add to your faith, virtue - and to virtue, knowledge - and to knowledge, temperance - and to temperance, patience - and to patience, Godliness - and to Godliness, brotherly kindness - and to brotherly kindness, charity.

Forever stay under the Authority of God, obey His Word and seek first the Kingdom and you will go places beyond limitations. I always knew you had the ability to achieve, the ability to succeed, the ability to accomplish, and the ability to stay focused. Why did I know this? Because I've watched you grow. I've watched you mature and I've watched how you have developed into a beautiful young lady. I am very proud of your accomplishments and congratulations on a job well done.

I Love You,
Your Mother

God Blessed us with you, our first born. You have been the joy of our life. Your sweet disposition and giving heart are just a few of the attributes you possess. You have been a good example for your sister by exercising the principles that you have been taught throughout the years.

As you meet the many challenges of life, always remember to live by these words:

Trust in the Lord with all thine heart; and lean not unto thine own understanding. In all thy ways acknowledge Him, and He shall direct thy paths.

Proverbs 3:5-6

*Love,
Dad and Mom*

Surely, you are a person of strength.

Honesty,

Ability,

Nobel actions, and

Always abounding in the works of the Lord.

Each chapter that is ending, leads you to a new beginning,

The path that you are leaving, means a future that you are winning.

No hills too steep, no mountains too tall; With hope and faith, you can conquer all.

Keep climbing until all of your dreams come true,

May God continue to keep and Bless You.

He who began a good work in you, is faithful to complete it. So keep your life so constantly in touch with God that His surprising power can break through at any point.

Just wait upon God and be grounded in Him. Live in a constant state of expectancy and leave room for God to come in as he decides. Congratulations on your academic achievements. We are proud of you.

"I'm Proud of You"

*In many ways I'm proud of you.
You've come a long, long way.
The growth in your abilities
Has struck me day by day.*

*Each person has a goal to reach.
A place they'd like to be.
A standard they aspire for
Results they'd like to see.*

*It's not the stakes that count, but rather
How we sense our movements
You are on a steady course,
Of rapid self-improvement.*

*The progress you are showing
Makes me want to say aloud,
I'm happy where you're going
And you make us VERY PROUD!!!!*

**Love,
Mom & Dad**

Bennett College Songs

PREFERENCE SONG

There are many, many schools in the East and in the West; sometimes you may be questioned as to which one is the best; If you really want to know There is one that will stand out; It's dear old Bennett College. That's the school you hear about.

CHORUS

Some prefer to go to Spelman, Others A&T some say here's to Talladega; Others Johnson C. But Bennett College is the best, girls; Lift high your colors bright Raise your voice in a cheer, girls For the Dear old Blue and White! Rah! - Rah! - Rah!

TELL ME WHY

Tell me why the stars do shine
Tell me why the ivy twines.
Tell me why the sky's so blue
Tell me Old Bennett
Just why I love you.

Because God made the stars to shine
Because God made the ivy twine
Because God made the sky so blue
God made old Bennett
That's why I love you.

ALMA MATER

Words by Carol Cotton
Music by Edith Player Brown

1. Bennett now our voices raise.
Harmonies of grateful praise;
We thy daughters find thee fair
Loyalty thy colors bear.
Truth and honor in thy halls.
Faith and love within thy walls;
Ever dear to us thou art
Firm within each loyal heart.

CHORUS

Alma Mater, now we sing
Hail the light that thou dost bring;
True we've been throughout the past,
True to thee while life shall last.

2. May we never smirch the good
Gendered here in sisterhood;
May we ever choose a-right
Guided but by honor bright;
Ever lovelier shalt thou live
As thy daughters freely give
Ever glorious a-bove.
Testimonies of our love.

(Sing verse 3 Prayerfully)

3. 'Till the evening shad-ows fall
'Till we heed our last clear call
Mother, may we offer thee
Lives of worth and pur-i-ty?
Go with us through-out the years
Smile on us in doubts and fears;
Bless us with thy tender care
Mother fair-est of the fair!

THE BENNETT IDEAL

Words by Carrie Robinson '33
Tune "Peggy O'Neil"

Bennett's Ideal
Is the girl who is real,
She's a friend ever loyal and true;
By her simple way,
She makes herself known to you.

CHORUS

If she greets you with a smile,
She's the Bennett Ideal;
Always doing things worthwhile,
That's the Bennett Ideal.
If she places her cares on the shelf,
Thinks of others far more than herself
If from the start
She has love in her heart,
Then, she's the Bennett Ideal.

You've heard it said
She's the girl who's well bred,
For her college she'll stand any test;
Her motto is skill,
Her creed is good will,
And here's how you know her best;

CHORUS

If she smiles through thick and thin
She's the Bennett Ideal;
If she strives wholehearted to win,
She's the Bennett Ideal;
If she's honest and willing to share,
If she's eager to do and to dare,
Pep and vitality;
Sweet personality;
She's the Bennett Ideal.
